

I am writing to protest your decision to allow Sinclair Broadcasting to force their stations to air an anti-Kerry documentary before the election.

The reasoning that there is no precedent for stopping this kind of thing is no excuse. This country is facing media issues that we have never faced before, and it's time to start doing what is RIGHT rather than what is merely "logical."

I am appalled that a corporation can have such power over the airwaves and I am sincerely frightened about what is happening to this country.

Please do your job and PROTECT the public interests. Tell Sinclair Broadcasting to NOT force its stations to air "Stolen Honor." This type of one-sided propaganda is harmful to our democracy. If you allow them to do this, tell Sinclair they must insist that their stations air a pro-Kerry program like "Going Upriver" shortly after.

Thank you.
